Note 10. TRANSPORTATION AND SERVICES.

- A. USG agrees to provide, transportation services for the items identified in this LOA to the Point of Delivery. Purchaser's property will be transported at the Purchaser's risk.
- B. Purchaser will accept USG delivery listings as the basis for billing and proof of shipment.
- C. Purchaser will accept responsibility for clearance of materiel through its customs at the POD, and for movement of the materiel from its POD to the ultimate in-country destination.
- D. Purchaser will appoint a duly authorized official to accept and sign for materiel at the POD, and submit outturn message and report.
- E. Purchaser will absorb losses of materiel the USG does not in fact recover from an independent carrier or handler, including where the USG is self-insured.
- F. Purchaser will self-insure such shipments, or obtain commercial insurance without any right of subrogation of any claim against the United States.
- G. The USG will assist the Purchaser in processing any claims that may arise for lost or damaged shipments, in the same manner it processes claims for USG-owned materiel. Collection of revenue, if any, resulting from approved claims will be credited to the Purchaser's account.
- H. If the purchaser proposes to take delivery and custody of the classified material in the U.S. and use its own facilities and transportation for onward shipment to its territory, a Transportation Plan is required. The Transportation Plan is developed by the DoD Component that prepares the LOA in coordination with the purchasing Government as outlined in the Security Assistance Management Manual, Chapter 3. Purchasers may obtain assistance in the development of the Transportation Plan with their cleared freight forwarder. Further, the purchaser will notify the Implementing Agency of any changes as they occur to the Transportation Plan. The Implementing Agency that initiates the FMS transaction shall designate the security officials who are authorized to evaluate the Transportation Plan to determine whether the plan adequately ensures protection of the highest level of classified material involved. The purchaser will be notified of the approval or disapproval of the plan and any changes. If disapproved, the purchaser will be notified of the reason for disapproval and, when possible, changes that would be acceptable to the USG. As an alternative, the USG will ship the classified material by the
