Subject: Transportation Look Up Table-Fiscal Year (FY) 00 Rates (DSCA 00-08)

Attached, please find the calculated estimated actual FY00 transportation costs that are to be applied to sensitive and hazardous end items that are shipped in the Defense Transportation System. These FY00 revised rates will be published as an interim change to the Security Assistance Management Manual, Appendix F, Table F-3. DSCA recognizes that because the FY00 rates are being received very late in the FY, it will be necessary for DFAS-DE/I to rerun the performance for those LOAs that are impacted by the transportation look up FY00 rates. This may have an impact for some LOAs, however, modifications/amendments should be prepared to ensure that the proper amount of associated transportation related costs are recouped.

The decision on whether to use actual transportation costs in lieu of calculated estimated costs will be made after the completion of the revision of the DOD Financial Management Regulation.

The DSCA point of contact is Ms. Vanessa Glascoe who can be reached at (703) 601-3744 or email: vanessa.glascoe@osd.pentagon.mil.

James A. McQuality
