

Figure C12.F2. Input for Humanitarian Mine Action Congressional Report

**[Combatant Command] Input for Humanitarian Mine Action Congressional Report**

The Department of Defense is authorized by Title [10 U.S.C. 407](#) to provide Supplies, Equipment, and Services (SE&S) to participating Partner Nations in a worldwide amount not to exceed a specified limit. SE&S support during Fiscal Year (FY) 20XX totaled \$X,XXX,XXX.

Partner Nation <sup>1</sup>	Total Cost (\$000) <sup>2</sup>	SE&S Cost (\$000) <sup>3</sup>	Type Humanitarian Mine Action Activity <sup>4</sup>
Country X	170	125	1, 3, 4
Country Y	190	36	1, 2, 4
Country Totals	360	161	
Humanitarian Demining Training Center (HDTC)	78	37	
Grand Total	X,XXX,XXX	X,XXX,XXX	

Demining assistance and/or stockpiled conventional munitions assistance was not provided in the following Partner Nations during the preceding fiscal year due to insufficient numbers of DoD personnel:

(list of countries)

Note<sup>1</sup>: List of Partner Nations in which humanitarian demining assistance or stockpiled conventional munitions assistance was carried out during the preceding year.

Note<sup>2</sup>: The total amount expended in carrying out such assistance in each Partner Nation.

Note<sup>3</sup>: The amount expended to provide supplies, equipment, and services in each Partner Nation.

Note<sup>4</sup>: Type of Humanitarian Mine Action (HMA) assistance carried out in each Partner Nation. HMA activity type codes are as follows:

- 1) Personnel Temporary Duty (TDY) and travel, Requirements Development Site Survey (RDSS) completion (all expenses which are not SE&S)
- 2) Demining, and survey, marking, mapping, clearance, disposal, and quality assurance/control training;
- 3) Physical Security and Stockpile Management (PSSM), to include training and technical assistance with respect to explosive safety, disposal, demilitarization, physical security, and stockpile management;
- 4) Casualty care training, to include first responder/advanced medical, surgical, and rehabilitation training;
- 5) Explosive Remnants of War (ERW) disposal training and mine risk education and awareness.
