MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Standard Letter of Offer and Acceptance (LOA) Note for End-Use Monitoring (EUM), DSCA 06-39 [SAMM E-Change 60]

Effective immediately, Chapter 5, Table C5.T5. of the Security Assistance Management Manual (SAMM) is revised to include an updated standard LOA note for EUM, which is mandatory for all LOAs, Amendments, and Modifications that did not include the previous version. It is not necessary to add it to LOA documents that contained the previous version of the standard EUM LOA note.

Note Name	Note Usage	Note Text
End-Use Monitoring (EUM)	Mandatory for all LOAs. Mandatory for all Amendments and Modifications if the note was previously not included on the case. See Chapter 8.	"Pursuant to the Foreign Assistance Act (FAA), section 505; and the Arms Export Control Act (AECA), section 40A, the USG will be permitted, upon request, to conduct a scheduled inspection and physical inventory of all articles and services transferred under this LOA. Upon request, the inventory and accountability records maintained by the purchaser will be made available to the U.S. personnel conducting this inspection." If an Enhanced EUM item is included in the FMS case, add the following sentence to the end of the note text above: "Enhanced EUM physical security and accountability requirements are annotated in note [insert LOA note number]."

This change will be included in the automated version of the SAMM found on the DSCA Web Page as SAMM E-Change 60. Please direct EUM policy-related questions to Mr. Micheal Slack, DSCA/STR-POL at (703) 601-3842, michael.slack@dscamil. Technical questions relating to EUM may be directed to Mr. Leon N. Yates, DSCA/PGM-MGT at (703) 601-3865, leon.yates@dscamil.
