SUBJECT: Assign Program Code "E8" to Track Fiscal Year (FY) 2012 Coalition Readiness Support Program (CRSP) Funds, DSCA Policy 12-11, [E-Change 198]

Effective immediately, CRSP funds authorized under the FY2012 National Defense Authorization Act, P.L. 112-81, and appropriated under the FY2012 Department of Defense National Appropriations Act, P.L. 112-74, will be tracked with Code "E8."

CRSP is a DoD designated program name, and a subset of the Coalition Support Funds (CSF) program. It is not specifically named in the authorization or appropriations act, but its authority is based on specially designated DoD-wide Operations and Maintenance (O&M) funds. P.L. 112-81 provides that funds may be used for the purpose of providing specialized training and procuring supplies and specialized equipment and providing such supplies and loaning such equipment on a non-reimbursable basis to coalition forces supporting United States military operations in Afghanistan; and various congressional notifications apply. CRSP funds are available until September 30, 2013, and will cancel on September 30, 2018. This restricted availability is a change from previous years.

Table C4.T2, Country and International Organization Codes and FMS Eligibility, in the automated version of the Security Assistance Management Manual (SAMM) found on the DSCA Web Page, is updated as follows:

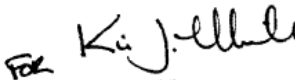

Organization	FMS Code	Combatant Command 1	Regional Grouping 2	FMS AECA Eligible 3	Accel. Case Closure Eligible
Coalition Readiness Support Program (CRSP) for FY12/13	E8	NR	NR	No	No

Instructions and notes for preparation of FY12 CRSP LOAs are attached to this memorandum. Program information for FY12 CRSP follows:
