SUBJECT: Assignment of Security Cooperation (SC) Customer Code "21" for U.S. Army, "17" for U.S. Navy, "57" for U.S. Air Force, "97" for the Office of the Secretary of Defense and "19" for the U.S. Department of State, DSCA Policy 16-39, [SAMM E-Change 320]

In order for the Defense Finance and Accounting Service (DFAS) to transfer funds from existing appropriations to fund Letters of Offer and Acceptance (LOA), the Security Cooperation Enterprise Solution (SCES) requires the establishment of new customer codes which represent various appropriations. In addition to being added to SCES, these customer codes will also be established in the Defense Security Assistance Management System (DSAMS) since customer codes in SCES and DSAMS should be identical. This matching will ensure that the customer codes are not used for different purposes in SCES and DSAMS.

The following codes have been assigned and are effective immediately. These codes are reserved for use by DFAS. Chapter 4, Table C4.T2B, Security Cooperation (SC) Customer and Regional Codes and FMS Eligibility, is updated as follows:

Customer/Organization	SC Customer Code	Combatant Command \1	Regional Grouping \2	FMS AECA Eligible \3	Accel. Case Closure Eligible
U.S. Army (for DFAS use)	21	NR	NR	No	
U.S. Navy (for DFAS use)	17	NR	NR	No	
Air Force (for DFAS use)	57	NR	NR	No	
Office of the Secretary of Defense (for DFAS use)	97	NR	NR	No	
U.S. Department of State (for DFAS use)	19	NR	NR	No
