SUBJECT: Update of Security Assistance Management Manual (SAMM) Table C4.T2C.,
Country, International Organization, and Regional Codes and Foreign Military Sales
(FMS) Eligibility, DSCA Policy 16-70 [SAMM E-Change 338]

Recent changes have resulted in a requirement for a new FMS code to be used for cases involving the NATO Support Agency and successor agencies. The NATO Support Agency operates under the auspices of the NATO Support Organization. A legislative change in process is intended to recognize a change in name to the NATO Support and Procurement Organization. This will be a successor organization to the NATO Support Organization. The NATO Support and Procurement Agency will operate under the NATO Support and Procurement Organization and will be a successor agency to the NATO Support Agency.

Accordingly, SAMM Table C4.T2C., Country, International Organization, and Regional Codes and FMS Eligibility, is updated as below to establish a new FMS code for NATO Support Agency and successor agencies.

Customer/Organization	SC Customer Code	Combatant Command \1	Region Grouping \2	FMS AECA Eligible \3	Accel. Case Closure Eligible
NATO Support Agency and successor agencies	W7	EU	EUR	Yes	No

This policy is effective immediately. For questions, please contact Kent Bell, STR/SPI, at (703) 697-9054, or e-mail: eddie.k.bell.civ@mail.mil.
