3. Update C13.2.1. to read as follows:

C13.2.1. The DSCA Capital Planning and Investment Control (CPIC) Framework details the Agency's Information Technology (IT) capital planning and Portfolio Management process. Its structure, as designed, supports DSCA decision-making and governance of IT investments. CPIC codifies the set of processes used by DSCA decision-makers for governance and approval of IT investments. Further, it provides guidance and direction to ensure alignment of IT investments with DSCA's overarching business strategy, as defined

in the DSCA Strategic Plan, and ensures compliance with the laws, regulations, and policies mandating optimized processes to select, control, and evaluate IT investments.
