SUBJECT: Defense Security Cooperation Agency Policy Memorandum 23-74, Assignment of Program Code “PV” to track Fiscal Year 2024/2025 Two-Year Operations and Maintenance Funding provided for the Indo-Pacific Maritime Security Assistance Initiative [SAMM E-Change 668]

Effective immediately, program code “PV” is assigned to track the Fiscal Year (FY) 2024/2025 funds executed under the authority of Section 1263 of the FY 2016 National Defense Authorization Act (NDAA) (P.L. 114-92), as amended most recently by Section 1241 of the NDAA for FY 2022 (P.L. 117-81). Funds were provided under H.R. 5860, the Continuing Appropriations Act, 2024 and Other Extensions Act, Division A, Section 101. The policy in the attachment is incorporated into the DSCA Security Assistance Management Manual (SAMM) at <https://samm.dsca.mil>.

Because this program code was created while the United States Government is operating under a Continuing Resolution (CR), this policy memo will not be rescinded if there is a new CR or full appropriation. The “PV” program code entry in C15.T2. will be updated to reflect the current appropriation authority information and the program authority when the FY 2024 National Defense Authorization Act is enacted. DSCA (Office of Strategy, Plans, and Policy, Execution Policy and Analysis Directorate (SPP/EPA)) will notify the DSCA (Office of International Operations, Global Execution Directorate, Case Writing and Development Division

(IOPS/GEX/CWD)) of any updates to the “PV” entry in C15.T2 so IOPS/GEX/CWD may update the applicable case notes.

Instructions for preparation of “PV” Letter of Offer and Acceptance (LOA) documents are found in the SAMM, Table C15.T5. Standard notes applicable to BPC programs are found in the SAMM, Appendix 6, LOA Notes Listing. Funding associated with “PV” LOAs will be fully expended and cases will be reconciled and closed no later than two months before the funds’ cancellation date. See SAMM C15.6 for complete closure guidance.

If you have any questions concerning this guidance, please contact Mr. Jason Evans, DSCA (SPP/EPA), jason.l.evans8.civ@mail.mil, (703) 697-2661.
