SUBJECT: Defense Security Cooperation Agency Policy Memorandum 24-07,
Communications Security Letter of Offer and Acceptance Note Change for
Communications and Information Security Memorandum of Agreement Nations
Joining North Atlantic Treaty Organization

Reference: (a) Defense Security Cooperation Agency Manual 5105.38, Security Assistance
Management Manual (SAMM), Appendix 6 (LOA Notes Listing)

This memorandum provides guidance to the Combatant Commands (CCMDs) and the
Implementing Agencies (IA) on the transfer of Communications Security (COMSEC) materials
for new North Atlantic Treaty Organization (NATO) members.

There are two types of standard Letter of Offer and Acceptance (LOA) notes on
COMSEC Enhanced End-Use Monitoring (EEUM) requirements, one for Communications
Interoperability and Security Memorandum of Agreement (CISMOA) Nations and another for
NATO Members, Australia, and New Zealand. New NATO Members that have a CISMOA with
the United States may have their Communications Security (COMSEC) Enhanced End-Use
Monitoring (EEUM) - FMS - To Other Than NATO Members, Australia, Or New Zealand case
note changed to the Communications Security (COMSEC) Enhanced End-Use Monitoring

(EEUM) - FMS - NATO Members, Australia, Or New Zealand and Communications Security (COMSEC) Enhanced End-Use Monitoring (EEUM) - BPC - To Other Than NATO Members, Australia, Or New Zealand case note changed to the Communications Security (COMSEC) Enhanced End-Use Monitoring (EEUM) - BPC - NATO Members, Australia, Or New Zealand case note when they become full NATO members.

For all future LOAs that add COMSEC equipment, including new amendments and modifications to LOAs implemented prior to NATO membership, DSCA (Office of International Operations, Global Execution Directorate, Case Writing and Development Division (IOPS/GEX/CWD)) will add the NATO Member, Australia, and New Zealand COMSEC EEUM note.

For guidance on the transition of COMSEC material from a CISMOA account to a NATO account, please contact DSCA (Office of International Operations, Weapons Directorate (IOPS/WPN)) at dscancriops-wpns.list.c4i@mail.mil, and for questions regarding this memorandum at dscancriops.list.wpns-all-members@mail.mil. For general questions concerning the SAMM, please contact DSCA (Office of Strategy, Plans, and Policy, Execution Policy and Analysis Directorate (SPP/EPA)), at dscancriops.spp.mbx.epa@mail.mil. The SAMM is available at <https://samm.dscamil/>.
