SUBJECT: Defense Security Cooperation Policy Memorandum 24-91, Updates to Semi-Permanent Program Codes to add Fiscal Year 2025 Continuing Appropriations and Extensions Act [SAMM E-Change 733]

Semi-permanent program codes have been established for the following programs: “Section 333 - Foreign Security Forces: Authority to Build Capacity,” the “Ukraine Security Assistance Initiative (USAI),” “Indo-Pacific Maritime Security Initiative (MSI),” “Section 332 - Defense Institution Capacity Building,” “Counter-ISIL/Counter-ISIS Train and Equip Fund (CTEF),” and “Section 1208 – Women, Peace, and Security.” Fiscal Year 2025 Continuing Appropriations and Extensions Act information is being added to [Table AP8.T2](#). The policy in the attachment is incorporated into the DSCA Security Assistance Management Manual (SAMM) at <https://samm.dsca.mil>.

The information for the program codes has been created while the United States Government is operating under a Continuing Resolution (CR), this policy memo will not be rescinded if there is a new CR or full appropriation. The program code entries in [Table AP8.T2](#) will be updated to reflect the current appropriation authority information as necessary for a new CR or full appropriation. DSCA (Office of Strategy, Plans, and Policy, Execution Policy and Analysis Directorate (SPP/EPA)) will notify the DSCA (Office of International Operations, Global Execution Directorate, Case Writing and Development Division (IOPS/GEX/CWD)) of

any updates to the program code entries in [Table AP8.T2](#), so DSCA (IOPS/GEX/CWD) may update the applicable case notes.

Instructions for preparation of semi-permanent program code documents are in Defense Security Cooperation Agency [Policy Memorandum 24-87](#), “Title 10 Building Partner Capacity Long Term Solution Policy Implementation.” Standard notes applicable to Building Partner Capacity (BPC) programs are found in [Appendix 6, LOA Notes Listing](#). Funding associated with semi-permanent program code Letters of Offer and Acceptance will be fully expended and cases will be reconciled and closed no later than two months before the funds' cancellation date. See [Section C15.7](#) for complete closure guidance.

If you have any questions concerning this guidance or for general questions about the SAMM, please contact SPP/EPA at dscn.spp.mbx.epa@mail.mil.
