MEMORANDUM FOR OFFICE OF THE DEPUTY ASSISTANT SECRETARY OF THE
NAVY FOR INTERNATIONAL PROGRAMS OFFICE
(ATTN: MR. JAE CHUNG IPO-230G)
DIRECTOR, DEFENSE FINANCE AND ACCOUNTING SERVICE
INDIANAPOLIS, IN

SUBJECT: Update Regular and Special Nonrecurring Cost (NC) Recoupment Charges for
Advanced Anti-Radiation Guided Missile (AARGM) Variants, DSCA Policy 25-
113

The attached Finding approves the update of both regular and Special Nonrecurring Cost (NC) recoupment pro rata charges for the sale, coproduction, or licensed production of the AARGM variants listed in the Finding table. These updates are made in accordance with DSCA Policy 25-113, which supersedes previous guidance and ensures compliance with current legal and policy requirements.

The NC charges listed in the Finding will be updated in Appendix 1 of the Security Assistance Management Manual (SAMM), available at <https://samm.dsca.mil>. Unless waived, the DoD NC recoupment charge must be reimbursed to the DoD within 30 days following delivery or purchaser acceptance (whichever comes first) of each item sold or produced. All recoupment will be recorded under the DSCA(Q) 1112 Report. In accordance with the Arms Export Control Act, any country requesting a waiver of NC charges must submit the request in writing prior to acceptance of the purchase for it to be considered.

If you have any questions regarding this matter, please contact Ms. Yvette Chandler at (703)697-9445 or yvette.d.chandler.civ@mail.mil.
